LIVING LIFE FULLY!

Underwriting Opportunities

Listing Life Fully

Listing Life Fully is a 50-page booklet (hardcopy or download) that helps people create a single place to store important information in different categories including banking, legal, accounting, charities of choice, internet, and possessions. Our wish is to make the digital download a free pdf document for anyone. To do this we are seeking underwriters to cover the cost of preparing the information and advertising it to a wide audience. The total project will cost \$9,000 per year. This project will begin when we reach \$9000, from one to three underwriter participants. Each underwriter will have their logo and a link to their website on the booklet cover and information page at the end. Underwriters will be able to co-brand it on their website.

How-To-Tech Series

Gracefully Greying is preparing a series of 20+ 5-minute lessons to help seniors and others take the pain out of the "let me show you again" digital tech challenge. Planned lessons to teach tasks on phones, tablets, and computers include:

- sharing your screen on zoom
- opening multiple windows on your computer
- copying links and URL pages and sharing them
- using your calendar to your advantage
- organizing folders and documents on your computer

The cost to underwrite this series is \$5000/year. All lessons will be co-branded with your logo, and you will be given credit during the intro and end of the lesson.

Website Categories

Gracefully Greying currently has 6 pages on the website: Legal, Finance, Health, Worklife, Life Stages, and Leisure. Each page underwriter will have a banner on the pages and subpages saying they are underwritten by your sponsorship. The cost for this is opportunity is \$4000 per page/year.
